Fit 4 Kids Parties

A **Fit 4 Kids** party will not only be a memorable birthday for your child, but a journey for them and their friends of running, jumping, kicking, catching and much more while having loads of fun doing it!

Don't take it from us. Have a look at what the parents have had to say:

You were TERRIFIC! Thank you soooooooooo much. I thought that the party flowed beautifully and the kids were co-operative, responsive and super keen (all thanks to your skills as facilitator).

It is the first time we have had a "party person" and it was fantastic for me. I just had to take care of the food, the moms and my baby! I wish you every success with this business and will tell all my friends about you. In fact, so many of the parents said "how did you find this guy?" Thank you again - Gabe loved it and is counting down again for his next party! 364, 363, 362

Michelle - Mother of Gabe who celebrated his 8th birthday with a **Fit 4 Kids** party.

You conducted the party extremely well and had the kids busy for the entire time. I had many parents saying how wonderful the party was and how much their kids enjoyed the sports.

I will not hesitate to recommend you to others and will definitely hire you again should we have another sports party in the future.

Ayal - Father of Jeremy who celebrated his 6th birthday with a **Fit 4 Kids** party.

I thought you ran a terrific footy party and thank you for going out your way to get all the footy stuff.

Nic loved it and I think all the kids had a great time. All the feedback from the adults was really good too.

Vanessa - Mother of Nicholas who celebrated his 6th birthday with a **Fit 4 Kids** party.

A **Fit 4 Kids** is \$175 (assuming no more than 16 kids). If the number is in excess of 16, there will be a surcharge of \$5 per extra child (capped @ \$260).

The birthday boy or girl will also receive a **Fit 4 Kids** top or gift to remember the day by.
